

Heart Week 2016

Invitation

The Heart Foundation and GP Superclinic warmly invites you, your family and friends to:

Free Public Forum – Heart Health

at GP Superclinic @ Midland Railway Workshops
Block 1, 6 Centennial Place, Midland (Opposite Midland Hospital)

Monday 2nd May 2016 from 3:30pm – 5.30pm

Special Guest Speakers from 4pm:

Professor Gerry O'Driscoll, Cardiologist Perth Cardiovascular Institute.
Hear about the latest heart disease treatments and what you can do to prevent a heart attack.

Dr Atish Chudasama, General Practitioner GP Superclinic @ Midland Railway Workshops
Prevention is better than cure

Mr Craig Cheetham, Exercise Physiologist HealthCare WA,
Learn more about exercise as prevention

We look forward to meeting you at this interactive event.
Local health provider displays available from 2pm

Please RSVP by April 27 to:
sales@gpscmidland.com or call Sharon on 9374 7000
